BYLAW

# Local Bylaw Sheqyiboru

## Introduction

The document is developed through the participatory processes giving regulatory power to the local community of Sheqayiboru within the framework of the Ethiopian government. Local rules and regulations are defined in the document for all community members as well as visitors, increasing the accountability of the responsible bodies and individuals. The document can be updated according to the needs and discussions in the community.

## Objective

The bylaw is the basis for sustainable use of local infrastructure and resources with clear rules and regulations

## Stakeholder

The bylaw is applicable to residents of Sheqyiboru as well as groups/communities who are in the Sheqayiboru area. The regular elected members of the management committee consisting of the chairman, the vice chairman, a secretary and a cashier are from the community and represent the interest of the overall community which includes all social groups.

## Topics

### Water Spreading Weir

Abdu Mohammed Lale and Habib Abdalla are responsible for the topic Water Spreading Weir. As community contribution the community will support the construction with one free labour day per week. Abdu Mohammed Lale and Habib Abdalla check regularly the constructed WSW for damages, at least once a month and after heavy floods. Existing small damages get fixed by the community directly, big damages get repaired with the support of the woreda. Additional biological measurements, like planting of sansevieria, grasses, or trees along WSW or DSM get implemented to further protect the physical constructions. The responsible person is the focal person for the communication with the community leader and the woreda for repairs.

### Tree Protection Area

Mohammed Saha and Witika Wagris are responsible for the topic Tree Protection Area. The community agrees to protect all healthy and planted trees in their area (see map in annex). Especially newly planted
